IslaGo   Driver Onboarding Checklist

1) Required documents

☐ Valid Driver's License (Pro or Non-Pro)

☐ Vehicle documents (OR/CR or proof of ownership)

☐ Government ID (for identity verification)

☐ Recent selfie wearing helmet + reflective vest

2) Vehicle requirements

☐ Roadworthy motorcycle or tricycle (good brakes, lights, tires)

☐ Clean and presentable vehicle photos (left, right, front, rear)

☐ Up-to-date registration and plate visible in photos

3) Phone & app

☐ Android or iPhone with mobile data

☐ Location services (GPS) enabled for the IslaGo Driver app

☐ Stable data plan (recommend at least 2–5 GB / month)

4) Safety gear

☐ Helmet (driver + spare for passenger)

☐ Reflective vest / jacket

☐ Rain gear (recommended)

5) Payout setup

☐ GCash or Maya account (or bank account)

☐ Correct full name & mobile number for payouts

6) Orientation & verification

☐ Attend short orientation / safety briefing (online or in-person)

☐ Confirm availability and service area (barangays you cover)

Tip: Keep photos clear and documents readable to speed up approval.

Next steps after you submit

- We'll review your details and documents (1–3 business days).

- If approved, we'll reach out for a short orientation.

- You'll receive instructions to download the app at launch.

- Start accepting rides and earning with IslaGo.

Photo guidelines

- Use good lighting; avoid blurry shots.

- Include the whole vehicle with plate visible.

- Selfie: helmet on, face visible; include vest if available.
